

Intern with Education=Hope!

WHY SHOULD YOU INTERN WITH US?

- This is to my Father's glory, that you bear much fruit, showing yourselves to be my disciples.
-John 15:8-
- As a ministry of Youth World, an E=H internship allows you to serve in an established ministry and work side-by-side with teams and ministry sites in a cross-cultural setting.
- We want to not only see God work through you, but in you as well. If you come and intern with us, you will be stretched, changed, and have a different view of the world.

Education=Hope Internship Opportunities

BE A SUMMER TEAM HOST

An E=H Team Host is a summer staff position in Ecuador. The team host leads, facilitates and cares for their assigned teams from airport pick-up to drop-off working alongside a "pareja" or partner. This includes managing the team schedule, food, finances, transportation, cultural events debriefs, discipleship and ministry opportunities.

BE A SUMMER SITE HOST

A site host is assigned to a specific ministry site with whom E=H partners to assist in any way possible. The specific job depends on the interest and skills of the intern, and the needs and strengths of the ministry site. Site Hosts work closely with Team Hosts when a Hope on the Ground team arrives at the ministry site and may be asked to help with planning, translation, or on-site leadership.

Both positions allow for incredible opportunities to experience and interact with the beauty and diversity of Ecuador's people and environment!
